

STATEMENT OF COMMITMENT TO THE SAFETY OF CHILDREN AND YOUNG PEOPLE

Independent Country Co-Educational Schools Incorporated (ICCES) is committed to the safety and wellbeing of all children and young people. All children participating at and involved in ICCES events have the right to feel safe and be safe. The wellbeing of our children and young people will be the primary focus of our care and decision-making.

ICCES has zero tolerance for child abuse.

ICCES is committed to providing a child safe environment where children and young people are free to enjoy life to the full without any concern for their safety, feel empowered and their voices are heard about decisions that affect their lives. Our policies, procedures, strategies and practices in relation to children and young people will be inclusive to the needs of all students including Aboriginal and Torres Strait Islander students, students from culturally and/or linguistically diverse backgrounds, students with disabilities, students who are vulnerable, LGBTQI+ students and international students.

Every person involved with ICCES has a responsibility to understand the important and specific role they play individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

It is the responsibility of all member schools to ensure they are compliant with Ministerial Order 1359 – Implementing the Child Safe Standards – Managing the risk of child abuse in schools and school boarding premises, and further that they have implemented robust policies and procedures for their workers, students and the broader community.

In its planning, decision-making and operations ICCES will:

- 1. Provide children and young people with positive and nurturing experiences and take a preventative, proactive and participatory approach to child safety;*
- 2. Value and empower children and young people to participate in decisions which affect their lives;*
