

6. CHESS

The ICCES Chess Tournament shall be contested on the same day as the ICCES Cross Country in Term 3, (approximately Week 3), from 10.30am to 3.00pm at Bacchus Marsh Grammar, South Maddingley Rd, Maddingley 3340.

The ICCES Chess Tournament is to be hosted by Braemar College in conjunction Kids Unlimited, who will provide adjudicators and all equipment on the day. www.kidsunlimited.com.au

a. Schools are invited to enter:

- one Junior team (Years 7/8)
- one Intermediate team (Years 9/10)
- one Senior team (Years 11/12)

It is recommended that each team consist of 4 players per school per division. Less than 4 players will leave that team at a scoring disadvantage.

Extra players are not encouraged but can be accommodated in exceptional circumstances.

b. Players may participate in an older division if required but cannot move to a lower age group.

c. A team's score is calculated by adding together the BEST 4 scores for that team:

Win	=	1 point
Draw	=	0.5 points
Loss	=	0 points

The Overall CHESS Shield is determined by ADDING the team scores from each division and awarded to the school with the highest score.

d. Schools must email students names and teams to Kids Unlimited 1 week prior to the event. Details will be provided.

e. Students are required to bring their own lunch – the nature of the chess competition is such that there will not be a designated break time, and we cannot ensure that the school canteen will be open when players are hungry.
