Game Times. All rounds will be played to a 30 minute time limit.

Scoring. Sets are played to 25 with a 2 point advantage with a change of ends between sets. However, the winner of the match (including finals) is determined by the **highest total accumulated points for the match**, rather than the set score. This is due to time-limited games where a small number of sets will be fully completed.

The **Gold medal** matches will be 45 mins duration.

The team listed for duty is responsible for umpiring and scoring on that court.

Students will play in traditional Volleyball format of 6 players on court and rotate players on and off the court in a clockwise direction each time their side wins back the serve.

A player can only serve a maximum of 5 serves in a row and the team will rotate through to the next player while still holding possession of the serve

A team can touch the ball three times on its side of the net. The ball must make one clear clean hit off any part of the body.

The ball can be served either underarm or overarm into play from behind the line at the back of the court. Serves can be from or on the hand.

The following will result in the loss of the point:

- In the event the ball hits the roof
- Carry or two hits – eg hands apart in a dig will be considered as a carry
- Foot on or over service line is a foot fault
- Entire foot over centre line and onto other teams playing space
- No player in back court can cross over the attacking line and spike the ball above the height of the net.
- A player cannot spike or block the ball off the serve
- A player cannot touch any part of the net.

**At the conclusion of each match the following points will be awarded:
3 points for winning school, 2 points for a draw and 1 point for a loss.**

GOLF

VENUE: Midlands Golf Club

ADDRESS: 330 Heinz Ln, Invermay Park

TEAMS: Bacchus Marsh Grammar (**BMG**) Braemar College (**BRAE**)
Girton Grammar (**GIRT**) Goulburn Valley (**GVGS**)

There will be a competitor briefing at 9:15am. Competition will start at 9:30am.

Tee off groups will be allocated by the convenor at the appropriate starting tee's. Students will then work their way around the course according to progressive tee's.

Stableford Format.

The number of points awarded on each hole is determined based on comparison of the number of strokes taken to a fixed score, usually par. This fixed score is then adjusted in relation to the player's handicap. Once players have taken two strokes more than the adjusted fixed score, they may abandon the hole and move on to the next, as it is then not possible to score any points on that hole. Because of this, it is still possible to be competitive even allowing for a few bad holes. At the end of the round, the number of points scored on each hole is totalled to give a final score. The winner of a Stableford competition is the player with the highest point total. Final scores may be modified for all players using the Competition Stableford Adjustment system.

Points	Strokes taken in relation to adjusted fixed score
0	2 strokes or more over, or no score recorded
1	1 stroke over
2	Same number of strokes
3	1 stroke under
4	2 strokes under
5	3 strokes under
6	4 strokes under
